Dear Cum:

I am in receipt of your letter of March 7th. In it you asked for information important in order to have gasoline and rubber allotted to our baseball to operate in 1943.

First the present mileage of our bus is 12500 miles.

Next the condition of our tires: They were recapped in 1942. We did this in preference to getting new ones, in an effort to cooperate with the war effort. We may be able to operate in 1943 with the same tires.

As to cutting our mileage for 1943, that is very easy. I am sure no one expects to travel as of 1942. To say we will cut our mileage in half is very easy.

I will appreciate word from you as to how much mileage we will be permitted.

I want you to know I appreciate your efforts in behalf of our Negro Baseball, and will be glad to hear from you as soon as possible.

Very Truly Yours
